Dear Mr Krajewski,

I trust this email finds you well.

I am writing to follow up on our November 20 correspondence and ask if you could provide a timeline for the Ombudsman´s response.

Our family will be in Europe for the end of the year festivities. If it were helpful, I could be available to meet with relevant officials during the first two weeks of January 2025.

Thank you for your diligent oversight of this case.

Merry Christmas and best regards, Miguel

Dear Mr Carter,

Thank you for your email. I apologise for not being able to reply to it before the end of last year.

Our work is still in progress. You will receive more information about our inquiry today or early next week.

As already explained, our procedural framework does not foresee meetings with the complainants or facilitating meetings between the complainants and officials of other EU institutions, such as the European Commission.

We will contact you shortly.

With kind regards,
Michał Krajewski

Dear Ms Tina Nilson,

Best wishes for 2025.

Thank you and Mr Krajewski for the good effort made to investigate our complaint and shed clarity on broader concerns at stake.

We understand and appreciate the role of the Ombudsman's office in this case.

As explained in our previous correspondence, we believe our predicament could have been long resolved if we had had an opportunity to engage in a meaningful dialogue and / or mediation with the Commission.

We hope this issue can be factored in your analysis and recommendation.

Again, thank you for your public dedication.

Kind regards, Miguel
