Case OI/4/2024/MIK

Dear Mr Krajewski,

I trust this email finds you well.

I am writing to thank you and the Ombudsman office for the time and effort dedicated to our complaint related to the Voices of the People project in Guinea-Bissau and inquire as to any updates on the case.

As you will recall, the complaint was submitted on April 30, 2024.

We would be very grateful to see the case resolved constructively in the near future, given the nature of our academic study and concerns over its proper dissemination.

DEMOS has been making significant efforts to implement the Voices of the People initiative in a leading African country.

The ability to publish the volume in English, with a scholarly press, could make a major difference in this regard.

This would allow DEMOS and its partners to develop a unique instrument for social accountability and, in doing so, find ways to better address the challenges shaped by an era of growing autocratic peril.

Again, thank you for your good efforts and kind understanding.

Sincerely, Miguel
